

# Emerson's Local Business Partner Organization

Emerson's Local Business Partners (LBPs) serve as the exclusive sales channel for many Emerson brands of equipment, including Fisher Flow Controls, DeltaV Systems, Fisher Regulators, and Remote Automation Solutions' products in the United States and Canada. Emerson has unique partnerships with their LBPs that connect customers with world-class solutions, superior technical expertise and lifecycle services. Emerson and the LBP Community have the expertise to address your toughest challenges.
